

Dear Kate -

Just want to thank everybody involved for a great trip
on August 18th to the wineries in Jackson, Brooklyn + Tunica.
The bus was nice + comfortable + everyone had a great time.

Our bus driver, Terry, did a wonderful job + a
special thank you to him.

I've given your company name to another gal who plans
trips for our church so, you may be hearing from her.

Thanks again + xoxo to Terry.
